Submit completed registration form, along with one to four pictures that fully depict the product(s). Printed forms and pictures can be submitted in person at the Hiawatha Music Co-op Office at 1015 N 3rd St. #9, Marquette, MI (call prior), or by email to hiawathamc@gmail.com, or by snail mail to the same address, above. Artists will be notified by phone and/or email whether or not they will be accepted to sell their craft at Hiawatha. The selection committee is looking to showcase a variety of mediums across the age groups.

Each artist 7-17 must be accompanied by a parent/guardian to the festival. BOTH must be 2025 ticket holders to sell at the Young Artist's Corner.

Each artist is responsible for their own **cash box** and will be expected to make appropriate change for all of their own sales. Help is near if needed. All items sold must be original and hand crafted by the young artist.

Please, no craft kits. Examples: rubber band bracelets, diamond paintings

Parents/guardians may help their artists set-up and tear down their sales area only. We feel that it is important that the young artists interact with their customers and handle sales on their own. Volunteers will be available to provide some assistance.

Artists should bring their own **chairs and table coverings**, if needed. A four-foot by two-foot table space will be provided for each artist.

A schedule will be made for the Young Artist's Corner; artists will be notified in advance about what time they will be selling their wares. **Registration Due June 30th.**
